ART & DESIGN EXPERIENCE

"Lake Minnewaska - Environment Concept Artist" | USC Games

Present

- Responsible for the environment concept designs for the Lake Minnewaska game in collaboration with the art, narrative, and production team.

"Leimart Park Media Zone - Digital Oasis" | Otis College of Art and Design

2023

- In collaboration with four classmates, we aimed to conceptualize and design a functional digital media lab for Sole Folks, a community-based retail and creative hub in Leimart Park. The lab concept encompasses individual work and community-focused teaching activities, emphasizing comfort, functionality, and communal engagement.

"Z's Against Fast Fashion" | Otis College of Art and Design

2022

- Engaged in a project with Five Gyres, a prominent advocate against plastic pollution, tasked with raising awareness about microfiber pollution. Collaborated closely with two classmates to design a series of four informative posters starring "Z," a representative Gen Z fish, to showcase the impact of microfiber pollution on health and the environment.
